

Attention All Competitors

December 18, 2009

We at Best In The West Racing want you to get a jump start on the 2010 racing season. We want to continue making Orange Show Speedway the best it can be and in doing so we have made some changes for the 2010 racing season to make things easier on you.

All Competitors will not be entering the pits at Gate 11, they will now enter from Gate 1 off of "E" Street. You will get your credentials at the main ticket booth before entering the race track. The back pit gate will only open at 5 p.m.

Competitors can also purchase pit stalls, the letter is enclosed with the spots that are still on reserve until March 20th, 2010. If you would like to purchase a transponder, you can call the office at (909) 885-9000.

Don't forget to get your annual pit credential before the season starts. Don't hassle with standing in line, sign as you drive through the gate. Drivers' holding an annual credential will still have to pay \$50.00 to test on open practice nights. We will be selling annuals at both open practice session.

Pre season testing will begin on February 20th. Gates will open at 10 a.m. and will close at 5 p.m. the next open test will be on March 6th same times apply.

The new pricing for 2010 is below. Make sure to get your paper work in before your first race of 2010. Thank you for your continued support and we all are looking forward to a fabulous 2010 racing season.

Respectfully,

Rick McCray
